LANDOWNERS ASSOCIATION OF TEXAS

**Landowners
Association of
Texas**

Mission

To reduce the level of poverty that disadvantaged landowners experience by providing support through programs that stimulates, fosters, and develops methodologies designed to increase the rate of retention, acquisition and productive use of land.

Our History

Landowners Association of Texas

was founded in 1978 with the primary goal of curtailing the alarming rate of which historically under-utilized landowners lose and or lost their land.

Methods employed to accomplish goals include, but are not limited to, providing information and assistance to:

- Maintain Land
- Acquire Land
- Develop and utilize land in a profitable manner
- Resolve land disputes through guidance and appropriate referrals
- increase knowledge about methods of land transfer to heirs

LAT partners with several organizations and agencies including: Prairie View A&M University, Cooperative Extension Program.

L.A.T. sponsors annually:

- The Historically Social Disadvantaged Farmers and Ranchers Conference.
- Educational tours of successful farm and ranch operations.
- Awards and recognition banquet for: Long-term successful management; land acquisition; and development

L.A.T. supports:

- Students' agricultural projects with funding for acquisition and maintenance of show animals.
- Funding for training and development workshops.

Landowners Association of Texas Committed to:

Stewardship

A careful and responsible management of Land entrusted to one's care.

Lifestyle Legacy

Dedicated to ensuring the ability to live on one's own land and make it available to future generations.

Environment

Continuously working to improve the environmental impact by reducing ECO consumption and waste, increasing efficiency and providing alternatives to land development whenever appropriate.

Economic Development

Views sustainability to be a process of continuous improvement, offering opportunities to complement spiritual, business and profit values.
